TECH24 Solution Center "Power Hour" in Exhibit Hall

Wednesday May 1, 1:00 - 2:00 pm
Thursday May 2, 10:15 - 11:15 am

During this rapid-fire event, you'll rotate around the room in small groups listening to 10-minute pitches from a variety of service providers and consultants on the **specific challenges** they can help you overcome. Compare and contrast today's best-in-class solutions to discover the experts, software, and technology that may best serve your organization's ESG goals.

	113	212		213	312
		210		211	310
	109	208		209	308
	107	206		207	306
	105	204		205	304
